

ACKNOWLEDGE

First of all, I would like to express my gratitude to Jesus Christ for His abundant blessings throughout my life. I would also like to thank my thesis advisor, Bapak Christian Rudianto, M.AppLing. For his guidance, support, and kindness throughout this research. Also, to my thesis examiner, Ibu Dra. Martha Nandari, M.A. Thank you for her time and advice to improve my thesis. To my study advisor, Bapak Ardiyarso Kurniawan, M.Hum. Thank you for his guidance and support during my college life.

Thank you that cannot be explained in words to my parents, Bapak Libertus Jainus and Ibu Rupina Simah, and my three brothers, Bang Yordanus, Bang Effendi, and Bang Salori, and also my aunt, Bi Agustina, who have always been there and always supported me no matter what my situation was.

I would also like to thank my bestie Katarina, who has always been a good friend and a good listener, and I would also like to thank my friend, Sandi Prasetyo Putra Ariyanto, who has always helped and remind me for did my thesis, and also to my friends from Bengkayang, Nopi, Mona, Dela, Helmi, Thusi, Fenny, and Wanda. For our happy and sad memories in this overseas country.

APPENDIX A

Reflective Journal Questions:

1. What have you learned in academic listening class?
2. How can you finish the Academic Listening Class well?
3. What methods or steps do you often use to understand the material in Academic Listening class, and how do you apply these methods or steps?

APPENDIX B

Interview Questions:

1. Have you taken the academic listening class?
2. Have you completed this class?
3. What did you do before class to prepare yourself to listen to the materials in the Academic Listening class?
4. Did you have difficulties understanding the material presented during class or graded exercises?
5. How do you solve the problems?
6. Are there specific strategies you use to improve your skills?
7. How did you apply these strategies?

8. What were the results of using that strategy?
9. From the strategies we have discussed, are there any other strategies?
10. Did you identify the material before class started?
11. Did you observe each material during the learning process?
12. At the end of class, what did you reflect on from the material you learned?
13. Do you think the strategies can help you during class?
14. In your opinion, does studying in groups or individually help you improve your listening skills? (If Yes/No, why?)
