

(digumuli) dan dipelajari karena belajar itu sepanjang hayat (*lifelong learning*).

#### IV. PENUTUP

Tidak dapat dipungkiri, Matematika telah banyak bermanfaat, namun dalam pengembangannya matematika dapat dikembangkan tanpa perlu tahu pemanfaatannya (*The Queen of Science*) dan pada saatnya akan tahu akan pemanfaatannya (*The Servant of Science*). Seperti Firman TUHAN dalam Pengkotchah 3 : 11a yaitu "Ia membuat segala sesuatu indah pada waktunya".
